

Conditions for issuing an insurance policy for PO

If the Policyholder, Payer, or Insured Person is a public official (PO) or a close relative of the PO, then to apply for an insurance policy, you must contact the Insurer, providing the latter with the following information:

- Full name of a close relative who is a personal representative;
- Place of work and current position of the PO;
- Degree of kinship with a person who is a PO;
- Passport data (series and number, date and issuing authority with division code, if any);
- Registration and residential address;
- TIN (if available);
- SNILS (if available);
- Source of origin of funds used to pay the insurance premium;
- Contact information (phone number and email address).

Important: Providing false information, including information about the presence/absence of PO status or the status of a close relative of PO for the Policyholder / Insured person / Beneficiary is the basis for termination of the contract.
